

## Winners of "Energy-2018" Conference

April 4<sup>th</sup>, 2018 Volsky Artem (43221/4), Nikolaenkov Denis (group 43221/7) and Nikolai Seleznev (43221/4) supervised by NHPE department instructor Maksim Konyushin participated in the International scientific and technical conference "Energy-2018", which was held in Ivanovo, Ivanovo Power Engineering Institute.

Our team won 2<sup>nd</sup> and 3<sup>rd</sup> places in "Nuclear Power Plants" section. Congratulations!

Ivanovo Power Engineering Institute campus tour was an important part of the conference program. Our students were able to see and operate the full-scale simulator of the block control center of Kalinin NPP
